

“Where there is no vision, the people perish”

Proverbs 29:18

The Liberty Project

The Liberty Project is simple, and powerful. It is small groups—whether a Bible study, Sunday school class or cell group—combining gifts of all sizes from members and sending those gifts to their local pregnancy care center such as CareNet Pregnancy Medical Center during the month of July.

With those gifts, our ministry gets one step closer to becoming the first choice for women in our community facing an unplanned pregnancy—and one step closer to making abortion obsolete in our area. As you know, one of the key avenues to accomplish this incredible task is through ministries like CareNet, where we share true hope—and invite powerful change through Jesus Christ—with all who come in our door. And because ministries all over the country are taking part in this effort, *The Liberty Project* is a way we can have a national impact on creating a culture of life across America.

Are you ready to involve your small group? Give us a call at 615-446-0701, or drop us an email at www.friendsofcarenet.net. Let's turn our culture toward life—and make this July one we'll remember for generations to come.

Mrs. Courtright's second grade class from United Christian Academy chose CareNet for their community service project. They collected baby items and brought them to our center. The children and their families also provided the dirt and plants for a new flower bed at the back of our building near the entrance to our future thrift shop, LoRita's Open Door. The children did a great job and we all had fun!!

CareNet is blessed to have such wonderful community support.
