IN HER OWN WORDS

“I was initially hesitant to see Care Net, but leaving I am grateful to have met people who seem to genuinely care and share resources available.”

“Care Net is a wonderful resource to utilize and points you in the direction of what you are looking for.”

“She was very assuring and patient with me.”

WHY WE DO WHAT WE DO

Even though abortion is illegal in Tennessee, our services are still desperately needed. The Cuttmacher Institute estimates that more than 10,000 Tennesseans left the state seeking abortions in 2023, and the abortion pill is regularly shipped inside our state.

While abortion has been framed as a “woman’s choice,” the truth is that most abortions are “chosen” by women who feel trapped, lonely, desperate – believing they have no choice.

We exist to give women life-affirming alternatives to abortion; alternatives that would provide loving support and comprehensive information to help them and their families make informed choices.

We aren’t **just** pro-life. We are **pro abundant life**. We share the Gospel with families, strengthen marriage, encourage parents, and do all we can to honor God’s design for family life and eternal life.

That’s why we teach MARY classes to equip parents to be the best they can be.

That’s why have a HOPE program to offer grace and forgiveness to women hurt by a previous abortion.

That’s why we staff LoRita’s, to make sure every child has his basic needs met. No parent should choose abortion because they were afraid they couldn’t find diapers.

That’s why we offer ultrasounds, so women can know the power and potential of the life they carry.

Our mission remains unchanged: to serve, not to condemn; to support, not to prosecute; to love, not to shame.

We do it all because we’re not just pro life. We’re pro abundant life.

HOW TO MAKE A DIFFERENCE

Donate online

Volunteer, Donate, or Shop!

Monday-Thursday 10am-3pm
and the first Saturday of the month!

Grab a friend and spend an afternoon at LoRita's learning about the ministry, folding clothes, shopping, and making a difference. You'll see the ministry up close and learn about more ways to be involved.

Host "Change for Life"

We'll supply baby bottles if you'll fill them up! Your church or business can collect change (or folding money!) to support our ministry. Many groups run this campaign from Mother's Day to Father's Day, but you can make a difference anytime you'd like. This is a great conversation starter to explain the mission of Care Net. Get with our office to schedule a time and pick up some bottles!

Pray...and Act!

Pray for us early and often. Pray that abortion-vulnerable women will see our messaging. Pray for our advocates to have the right words to say. Pray for the health and well-being of these children. Pray for the safety, both physical and spiritual, of our staff and volunteers.

...and when you pray, don't forget to join your prayers with your actions. Is God calling you to become a client advocate? Maybe your next step is leading a study of *Making Life Disciples*, our video curriculum that educates Christians in pro-abundant-life ideals. Be looking for your next step. If you're not sure what to do, reach out to the office and schedule a tour.
